The goal of the Downtown Knoxville Alliance Sponsorship Program is to help support events that add to the vibrancy and enjoyment of Downtown Knoxville's central business district. The program is focused on supporting new events as they establish additional community support and funding, as well as established events that bring more people to Downtown Knoxville to work, live, shop and play.

Event Date(s)	Application Due
January, February	November 1
March, April	January 1
May, June	March 1
July, August	May 1
September, October	July 1
November, December	September 1

The application must include a projected budget (including detailed income and expenses), information on how the event will be promoted, how the event positively impacts the central business district (including residents, businesses, or visitors), and proof of nonprofit status if applicable. Previous three-year actual income and expenses for the event should also be submitted if applicable.

#### **Sponsorship Guidelines:**

- □ All events are evaluated based on current merits, regardless of funding in the past.
- Preference will typically be given to events, segments of events, and activities that are free and provide reasonably widespread public access and benefit.
- Paid ticketed events, for-profit, or fund-raising events are typically not considered.
- The Downtown Knoxville Alliance strives to distribute sponsorships equitably to events throughout the central business district and throughout the calendar year. Preference will be given to locations and times that have not historically had significant programming. A map of the district boundaries can be found at downtownknoxville.org/map.
- As a general rule, sponsorships will not exceed 20% of total event expenses.
- Sponsorships are awarded based on the merits of a stand-alone event. Therefore, a single organization can submit and receive approval for multiple events throughout the year.

#### **Requirements:**

- Sponsored events should include the Downtown Knoxville Alliance as a sponsor in all pre-event publicity, marketing materials, websites, posters, and event materials. Information on downtown parking should also be included.
- A post-event evaluation is required within 45 days of the event. Payments will be made in two parts. One-half will be paid prior to the event and the balance will be paid upon receipt of the completed post-event evaluation. Refunds will be requested for any events that are cancelled. Final payment will be forfeited if post-event evaluation is not received.

Completed applications should be emailed to cblackburn@downtownknoxville.org, mailed or delivered to Downtown Knoxville Alliance, Attn: Callie Blackburn, 17 Market Square, Knoxville, TN 37902. For questions, call 865.246.2653.

### Event description:

SYNNERGY 2025 is a weekend-long contemporary music event presented by Nief-Norf in downtown Knoxville, TN. Taking place at the culmination of the Nief-Norf Summer Festival, SYNNERGY features free public concerts, lectures, and interactive workshops that highlight collaborations between festival faculty, guest artists, and participants from across the country. The weekend showcases innovative, boundary-pushing music and provides unique opportunities for local audiences to engage with new art forms, all while activating downtown Knoxville with vibrant cultural programming.

### Additional sponsors:

We have reached out to 75+ local businesses for partnerships, and have currently received sponsorships from Cruze Farm, XUL, and Tomato Head!

#### Planned use of funds requested:

Downtown Knoxville Alliance funding will directly support costs associated with hosting SYNNERGY events at downtown venues — including venue rentals, sound reinforcement, instrument rentals, printed programs, signage, and marketing materials. These funds will ensure that SYNNERGY remains accessible and high-quality while firmly rooted in Knoxville's downtown community.

What is the projected attendance for this event? How will actual attendance be measured? Describe the demographics of anticipated attendees.

We project a total attendance of approximately 500 across all SYNNERGY weekend events. While all events are free and open to the public, we will encourage attendees to complete an RSVP form in advance and at the door (if they haven't already), allowing us to track attendance numbers and gather contact information for future engagement. Anticipated attendees include:

- Knoxville community members interested in innovative arts experiences
- Local university students and faculty
- Festival participants (47 individuals from across the U.S. and abroad, ages 18–65)
- Visiting artists and scholars (ages 20–60)
- Local families and youth attending interactive workshops

What opportunities, if any, will be provided for downtown merchants to participate?

We have contacted over 75 local businesses to offer sponsorship opportunities and have already secured support from several merchants. Our 47 festival participants, who will be in Knoxville for two weeks, will be encouraged to explore and support these sponsoring businesses throughout their stay. During SYNNERGY weekend, sponsors will be promoted in several ways (outlined at different tiers in the attached sponsorship packet!):

- Featured in printed programs, signage, and pre-concert announcements
- Highlighted in social media posts and email newsletters
- Included in dining and retail guides distributed to attendees

How will this event positively impact downtown?

SYNNERGY will bring an influx of artists, scholars, and audiences into downtown Knoxville for a full weekend, driving foot traffic to local businesses, restaurants, and hotels. By offering dynamic, free cultural events, the weekend enhances downtown's cultural vitality and reinforces Knoxville as a welcoming, creative destination. Our intentional partnerships with downtown merchants will further stimulate economic activity and strengthen connections between the arts community and local businesses.

### What effect would lack of Downtown Knoxville Alliance funding have on this event?

We are committed to making SYNNERGY 2025 happen regardless of funding outcomes. However, without Downtown Knoxville Alliance support, we would need to spend additional time and effort securing alternative funding sources, which could strain our current resources. It might also limit our ability to fully execute downtown partnerships and marketing efforts at the scale we envision. A shortfall this year could potentially impact our capacity to expand SYNNERGY and other downtown-focused programming in future years.

# **Marketing & Promotion Plans**

With SYNNERGY just weeks away, Nief-Norf is carrying out an energized marketing push to build excitement and drive attendance. In the coming weeks, we'll focus on segmented email marketing campaigns, frequent social media posts (including a few sponsored ads), and posting physical flyers on community boards around Knoxville. We'll also encourage word-of-mouth promotion by inviting attendees to bring friends and family. Alex Dally will be conducting interviews with WUOT and potentially WVLT to further spread the word, and Nief-Norf will appear live on WDVX's *Blue Plate Special* on June 9th to promote the weekend's events.

**Event description:** The WDVX's Blue Plate Special is one of Knoxville's most unique cultural assets and attracts thousands of residents, tourists and musicians every year. No other city has a community radio station that provides a live music show nearly every day and exports its programming throughout the world with its live stream and video streaming. The arts performance is presented every Monday through Saturday at noon from the WDVX stage inside the Knoxville Visitor Center. On Fridays, the show moves to Barley's, and is rebranded as The Big Plate. The show is free to attend, is simultaneously broadcast and webcast on wdvx.com, and is recorded for rebroadcast. Live video is also streamed daily on Facebook Live and the WDVX YouTube Channel. Archived audio is also accessible online on the WDVX website for two weeks following the broadcast. Videos are permanently archived on our YouTube channel.

WDVX Blue Plate Special performances are booked months in advance and feature a variety of genres, not just the Americana and Bluegrass music that is the core of WDVX programming. This approach gives our community a chance to hear a diversity of talented local musicians and international and touring artists.

Artists receive advance air play as well as the opportunity to perform in a small venue with an engaged audience, promote their upcoming appearances, and sell their merchandise. The show is hosted by Red Hickey, a WDVX staff member who also books and produces the show. A professional sound technician mixes the show for the house audience and radio audience while also recording the program for rebroadcast. The WDVX Blue Plate Special also serves as an educational opportunity for students to learn how to set up, mix, and record live music for broadcast. Our sound crew brings in interns every semester from local colleges to train them on our equipment.

Last calendar year over 13,000 people attended the WDVX Blue Plate Special with over 1,000 artists performing. Over the last couple of years, WDVX has succeeded in bringing in person attendance at the Blue Plate Special back to levels near what we were seeing before the 2020 pandemic forced our live shows to cease production. The addition of high quality video production upon our return has only helped increase those numbers.

WDVX community radio went on the air in 1997, and moved to Downtown Knoxville just over 20 years ago. Since then, WDVX has been building community through music. That includes playing a large role in the revitalization of Downtown Knoxville that has also taken place over the last two decades. Over the years, music journalists, and recording engineers have told us that the station influenced their decision to move to the area. Visitors to Knoxville express delight at discovering the role WDVX plays in making our city so unexpectedly alive. We are grateful to Downtown Knoxville Alliance for its role in helping WDVX continue its mission.

**Additional sponsors:** Barley's in Old City, Corporation for Public Broadcasting, Walmart Foundation, Tennessee Arts Commission, Modelo Especial, and Visit Knoxville.

**Planned use of funds requested:** Grant funds will be used to help pay for station staff that book, host, promote and engineer the show.

# What is the projected attendance for this event? How will actual attendance be measured? Describe the demographics of anticipated attendees.

We project Blue Plate Special attendance in 2025/26 to continue to show growth. A staff member or volunteer performs a head count daily which includes a residential survey. In this past calendar year, roughly 70% of attendees were from Knox County including Knoxville. Of the remaining 30%, numbers are nearly evenly split between visitors from the area outside of Knox County (Blount, Anderson, Campbell, Claiborne, Cocke, Grainger, Hamblen, Jefferson, Loudon, Monroe, Morgan, Roane, Scott, and Sevier Counties), and visitors from outside Eastern Tennessee. In the past calendar year, the Blue Plate Special had visitors from most of the 50 states and International visitors from England, Germany, France, Canada, Turkey, Denmark, Japan, Chile, Columbia, and more.

The Blue Plate Special stage is located inside the Knoxville Visitors Center which is conveniently located downtown and has inexpensive parking nearby for visitors. About 25% of the audience members are seniors. Because the Visitors Center is welcoming and accessible, we regularly have groups of developmentally delayed individuals attend the daily shows.

Audience estimates do not consider the broadcast, webcast, or video audiences which number in the thousands. From real time website information, we know that the Blue Plate Special is one of our most listened to programs online. The terrestrial broadcasts and online streams of audio and video also make the WDVX Blue Plate Special available to listeners around the world, and fully accessible to any listeners who cannon physically join us in person.

### What opportunities, if any, will be provided for downtown merchants to participate?

WDVX welcomes downtown merchants to participate in the Blue Plate Special and other programs. Downtown merchants are welcome to sponsor this program or others to gain on air exposure. Additionally, WDVX will occasionally use downtown merchants for production support, hospitality, and crew meals. We also sometimes invite artists and others associated with local events and festivals to perform and talk about their events and venues. Because the show happens during the day, downtown restaurants and merchants can see increased foot traffic from our audiences.

### How will this event positively impact downtown?

Knoxville has become known as a live music hub among musicians and passionate music fans. WDVX has been influential in nurturing that reputation by playing independent and local musicians on the air, and for booking those artists to play live on the Blue Plate Special, First Friday, and Kidstuff Live. The live Blue Plate Special's colorful broadcast history re-enforces that there is something to do all the time in downtown Knoxville, and a special event to attend during a break in the workday.

People who attend the Blue Plate Special enjoy downtown restaurants and coffee shops before and after the show, park in local lots and garages, and shop at nearby stores. Downtown residents bring their out-of-town guests to the Blue Plate to show off what is different and cool about their hometown. The show is a source of community pride and is convenient, accessible and dependable entertainment source for downtown residents. Another positive impact is the "Downtown Knoxville" underwriting. These announcements will be read during the day which inform listeners about that the downtown is a vibrant place and that they should visit.

### What effect would lack of Downtown Knoxville Alliance funding have on this event?

WDVX is a listener supported radio station that relies on individual donations, business underwriters, and grants for its existence. In the case of the WDVX Blue Plate Special, the DKA grant would help fund staff who book, host, produce, and engineer the show. This support also helps the station demonstrate to granting organizations like the Corporation for Public Broadcasting that much of our funding comes from the community through individuals, local business, events, and local and state grants. Your grant is significant to WDVX; we would spend more time fundraising on the air and seeking local business support without it. Having the support of DKA is also an acknowledgement that Knoxville values having a community radio station in downtown and will enable us to approach sponsors with confidence. Further, the Downtown Knoxville Alliance's support for the Blue Plate Special enhances the station's efforts to achieve its mission while meeting DKA's goal of adding to the vibrancy and enjoyment of downtown Knoxville.

### Planned use of funds requested:

The funding from DKA will be used to hire Hawaiian performers and other cultural performers, as well as to cover insurance costs. These performances will provide the public with opportunities to enjoy and learn from high-level performing arts representing diverse Asian and Pacific Island cultures.

What is the projected attendance for this event? How will actual attendance be measured? Describe the demographics of anticipated attendees.

### Here's how actual attendance will be measured:

• **Ticket Sales**: For the first time, tickets will be required for the event—priced at \$3 for adults, with free admission for children under 12. Attendance will be tracked through ticket sales, providing a reliable and quantifiable measure of total visitors. Additionally, we will be able to gather data on the geographic origin of attendees.

• Independent Economic Impact Study: The Asian Culture Center of Tennessee plans to hire AngelouEconomics (AE), a professional firm specializing in economic analysis, to conduct an independent study of the Knoxville Asian Festival. This analysis will measure key metrics such as job creation, capital improvements, visitor spending, and overall economic benefit. The comprehensive report from AE will include accurate attendance figures and provide valuable insights into the festival's regional impact.

## What opportunities, if any, will be provided for downtown merchants to participate?

Yes, DKA will have the opportunity to host a booth to promote your mission or business. Additionally, there will be volunteer opportunities available. Anyone who would like to join us as a volunteer will receive an official T-shirt and a lunch voucher as a token of appreciation. Please see our Sponsor Benefits. https://www.knoxasianfestival.com/sponsor/

### How will this event positively impact downtown?

The Knoxville Asian Festival, organized by the Asian Culture Center of Tennessee, is poised to have several positive impacts on downtown Knoxville:

Economic Stimulus: The festival is expected to attract a large number of attendees, leading to increased foot traffic in downtown areas. This influx of visitors can result in higher sales for local businesses, including restaurants, shops, and hotels, thus stimulating economic growth and supporting local entrepreneurship.

Cultural Enrichment: By showcasing diverse Asian cultures through performances, exhibitions, and culinary experiences, the festival adds vibrancy and diversity to downtown Knoxville. It provides residents and visitors alike with opportunities to engage with and learn about different cultural traditions, fostering cultural understanding and appreciation within the community.

Community Engagement: The festival serves as a platform for community engagement, bringing together people from various backgrounds and fostering a sense of belonging and inclusivity. It provides opportunities for interaction and dialogue, strengthening social bonds and promoting unity within the downtown community.

Tourism Promotion: The Knoxville Asian Festival has the potential to attract tourists from both within and outside the region, drawing attention to downtown Knoxville as a cultural hub and tourist destination. Increased tourism not only brings in revenue but also raises the city's profile, attracting further investment and development opportunities.

Enhanced Public Spaces: Hosting the festival in downtown Knoxville may necessitate the improvement or beautification of public spaces to accommodate the event. These enhancements can have lasting benefits beyond the festival, enhancing the attractiveness and functionality of downtown areas for residents and visitors alike.

Overall, the Knoxville Asian Festival has the potential to positively impact downtown Knoxville by boosting the local economy, enriching the cultural landscape, fostering community cohesion, promoting tourism, and enhancing public spaces.

What effect would lack of Downtown Knoxville Alliance funding have on this event? We might not be able to invite the Performers.
