Note: Disclosure of Tax Abatement for Farragut Building. CBID Board agreed to receive current assessment of \$4,578 and forgo \$19,012/year for 25 years - total abatement \$475,302. Based on estimated increase in projected value \$18.4mm versus \$3.6mm. Tax is .32 per \$100 on 40% of projected value.

Note: In 2013, Knox County Commission and Knox County Industrial Development Board approved a 10 year PILOT for Marble Alley Lofts, LLC. The property was held by Knox County and did not pay property taxes because of its tax exempt status. The property is now held by the Knox County Industrial Development Board. Based on the current appraised value, at the end of the 10 year PILOT, CBID would be entitled to a projected assessment of \$36,800 annually.

Note: In July of 2019, the Board of the Downtown Knoxville Alliance agreed to approve a 10-year abatement of the incremental CBID assessment for the State Supreme Court projects starting 48 months after the Dover Signature Properties closes on the two parcels of property from the City of Knoxville to allow for construction and project stabilization. CBID will receive an assessment for both properties based on the acquisition cost of \$2.6mm or approximately \$320 for the property that will house the hospitality project, purchased for \$250,000 and \$3,008 for the parcel that houses the apartment project, purchased for \$2,350,000. Downtown Knoxville Alliance will receive this yearly assessment during the 48 month construction and stabilization period and during the 10-year abatement, after which the CBID assessment will be paid at full value.

## May 2022 Week 1

5/2/2022-5/8/2022

### Safety Highlights

### **Syringe Collection**

Just outside the back door of Visit Knoxville, Tasha found a syringe. Three more were found near the construction outdoor restrooms. Compared to the previous week, there is an increase in drug paraphernalia found. Ambassadors routines and routes have remained similar to the initial start up. This suggest that drug users are more careless about the disposal of drug paraphernalia.

Ambassadors start up a friendly conversation with panhandlers before reminding them that their actions are discouraged. Response to this reminder varies on the panhandler. Aggressive panhandlers have been easily directed so far.

The next page shows visual references for scooter relocations and Market Square business doorways in the morning. For everyone's safety, scooters are moved out of the walk path to the side of the sidewalk. Ambassadors are also encouraged to group the scooters together, if possible. Ambassadors are to politely ask people sleeping in doorways to help clean their area and relocate so that businesses can open.

### **QUICK VIEW**

May 02, 2022 -- May 08, 2022

Hospitality Assistance -- May 02, 2022 through May 08, 2022

Now that the farmers market is open Ambassadors are polishing their ability to assist locals and visitors during market hours. This will increase stats in the downtown area on Wednesday's and Saturday's for the next couple of months. Over the last week visitors have repeatedly asked directional questions. By the end of the summer, everyone should be even more fluent with the district.

## Southern Hospitality

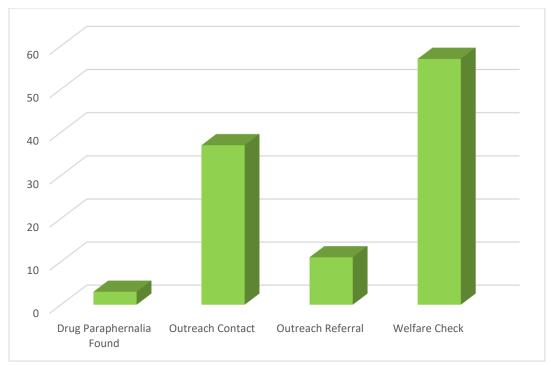

### **Outreach Highlights**

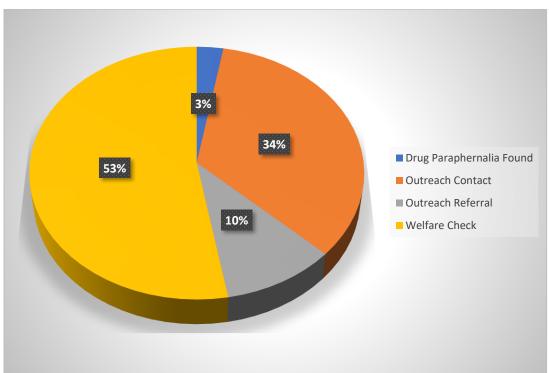

### **Initiatives**

The picture to the left shows Clarissa in action helping someone who is illiterate with a housing application. This is just one of the many ways Ambassadors are making an impact in the district. Other assistance includes but is not limited to, proofreading job applications, referrals for clothing, or general life navigation tools. The next page shows statistical data for outreach services over the last week. Now that Ambassadors have a role in the Knox County CHAMP system, referrals should become more streamlined.
